Euro 650,000,000 2.125 per cent. Bonds due 25 July 2024

The issue price of the Euro 650,000,000 2.125 per cent. Bonds due 25 July 2024 (the "**Bonds**") of the Issuer, acting through its French Branch is 99.046 per cent. of their principal amount.

Unless previously redeemed or cancelled, the Bonds will be redeemed at their principal amount on 25 July 2024 (the "**Maturity Date**"). The Bonds are subject to redemption in whole at their principal amount at the option of the Issuer at any time in the event of certain changes affecting taxation in Luxembourg. The Bonds may also be redeemed at the option of the Issuer, in whole but not in part, on the Optional Make-whole Redemption Date (as defined in the Terms and Conditions of the Bonds) at the amount calculated as described in Condition 6(b)(ii) (*Redemption at the Make-whole Redemption Amount*). The Issuer may, at its option, on any date from and including the date falling three (3) months before the relevant Maturity Date of the Bonds to but excluding such Maturity Date, redeem the Bonds outstanding on any such date, in whole (but not in part), at their principal amount together with accrued interest, as described under Condition 6(b)(iv) (*Residual call at the option of the Issuer*). In addition, the holder of a Bond may, by the exercise of its option, require the Issuer to redeem such Bond upon a Change of Control Event at its principal amount on the Optional Redemption Date (as defined in the Terms and Conditions of the Bonds). The Issuer may in accordance with Condition 6(b)(iv) (*Clean-up Call Option*), on giving not more than 45 nor less than 30 days' prior notice to the Bondholders, redeem all but not some only of the Bonds at their principal amount, if immediately before giving such notice, the Issuer or any of the Issuer's Subsidiaries has purchased Bonds equal to or in excess of 80 per cent of the aggregate principal amount of the Bonds originally issued. See "*Terms and Conditions of the Bonds—Redemption and Purchase*".

The Bonds will bear interest from 25 July 2017 at the rate of 2.125 per cent. *per annum* payable annually in arrear on 25 July in each year commencing on 25 July 2018. Payments on the Bonds will be made in Euro without deduction for or on account of taxes imposed or levied by the French Republic or the Grand Duchy of Luxembourg to the extent described under "*Terms and Conditions of the Bonds—Taxation*".

Application has been made to the *Commission de Surveillance du Secteur Financier* (the "**CSSF**"), which is the Luxembourg competent authority for the purpose of Directive 2003/71/EC (as amended by, *inter alia*, Directive 2010/73/EU) (the "**Prospectus Directive**"), for this Prospectus to be approved as a prospectus within the meaning of Article 5.3 of the Prospectus Directive (the "**Prospectus**").

By approving this Prospectus, the CSSF assumes no responsibility and does not give any undertaking with regard to the economic and financial soundness of the transaction and the quality and solvency of the Issuer in accordance with Article 7(7) of the Luxembourg law of 10 July 2005 implementing the Prospectus Directive, as amended (the "**Prospectus Law**"). Application has been made for the Bonds to be admitted to listing on the official list of the Luxembourg Stock Exchange and trading on the Regulated Market of the Luxembourg Stock Exchange (both terms as defined below).

The Regulated Market of the Luxembourg Stock Exchange is a regulated market for the purposes of the Markets in Financial Instruments Directive 2004/39/EC (a "**Regulated Market**"). References in this document to the Luxembourg Stock Exchange (the "**Luxembourg Stock Exchange**") and all related references shall include its Regulated Market.

The Bonds have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the "**Securities Act**") and are subject to United States tax law requirements. The Bonds are being offered outside the United States by the Joint Lead Managers (as defined in "**Subscription and Sale**") in accordance with Regulation S under the Securities Act ("**Regulation S**"), and may not be offered, sold or delivered within the United States or to, or for the account or benefit of, U.S. persons except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act.

The Bonds will be in bearer form and in the denomination of Euro 100,000 each and integral multiples of Euro 1,000 in excess thereof. The Bonds may be held and transferred, and will be offered and sold, in the

principal amount of Euro 100,000 and integral multiples of Euro 1,000 in excess thereof. The Bonds will initially be in the form of a temporary global Bond (the "**Temporary Global Bond**"), without interest coupons, which will be deposited on or around 25 July 2017 (the "**Closing Date**") with a common safekeeper for Euroclear Bank S.A./N.V. ("**Euroclear**") whose registered address is 1, Boulevard du Roi Albert II, 1210, Brussels, Belgium and Clearstream Banking, société anonyme ("**Clearstream, Luxembourg**") and, together with Euroclear, the "**ICSDs**") whose registered address is 42, Avenue J.F. Kennedy, L-1855 Luxembourg, Grand Duchy of Luxembourg. The Temporary Global Bond will be exchangeable, in whole or in part, for interests in the permanent global Bond (the "**Permanent Global Bond**"), without interest coupons, not earlier than 40 days after the Closing Date upon certification as to non-U.S. beneficial ownership. Interest payments in respect of the Bonds cannot be collected without such certification of non-U.S. beneficial ownership. The Permanent Global Bond will be exchangeable in certain limited circumstances in whole, but not in part, for Bonds in definitive form in the denomination of Euro 100,000 each and with interest coupons attached. See "*Overview of Provisions Relating to the Bonds in Global Form*".

Prospective investors should have regard to the factors described in the section headed "Risk Factors" in the Prospectus.

Any such representation or information should not be relied upon as having been authorised by the Issuer or the Joint Lead Managers.

Neither the Joint Lead Managers nor any of their respective affiliates have authorised the whole or any part of this Prospectus and none of them makes any representation or warranty or accepts any responsibility as to the accuracy or completeness of the information contained or incorporated by reference in this Prospectus. Neither the delivery of this Prospectus nor the offering, sale or delivery of any Bond shall in any circumstances create any implication that there has been no adverse change, or any event reasonably likely to involve any adverse change, in the condition (financial or otherwise) of the Issuer or the Group since the date of this Prospectus. Neither this Prospectus nor any other financial statements are intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of the Issuer and the Joint Lead Managers that any recipient of this Prospectus or any other financial statements should purchase the Bonds. Each potential purchaser of Bonds should determine for itself the relevance of the information contained in this Prospectus and its purchase of Bonds should be based upon such investigation as it deems necessary. None of the Joint Lead Managers undertakes to review the financial condition or affairs of the Issuer or the Group during the life of the arrangements contemplated by this Prospectus nor to advise any investor or potential investor in the Bonds of any information coming to the attention of any of the Joint Lead Managers.

This Prospectus does not constitute an offer of, or an invitation to subscribe for or purchase, any Bonds and should not be considered as a recommendation by the Issuer, the Joint Lead Managers or any of them that any recipient of the Prospectus should subscribe for or purchase the Bonds. Each recipient of this Prospectus shall be deemed to have made its own investigation and appraisal of the condition (financial or otherwise) of the Issuer.

The distribution of this Prospectus and the offering, sale and delivery of Bonds in certain jurisdictions may be restricted by law. In particular, the Bonds have not been and will not be registered under the Securities Act and are subject to United States tax law requirements. Subject to certain exceptions, Bonds may not be offered, sold or delivered within the United States or to U.S. persons.

In this Prospectus, unless otherwise specified, references to a "**Member State**" are references to a Member State of the European Economic Area, references to "**Euro**" or "**euro**" are to the currency introduced at the start of the third

stage of European economic and monetary union, and as defined in Article 2 of Council Regulation (EC) No 974/98 of 3 May 1998 on the introduction of the euro, as amended.

In connection with the issue of the Bonds, Merrill Lynch International (the "Stabilising Manager") (or persons acting on behalf of the Stabilising Manager) may over allot Bonds or effect transactions with a view to supporting the price of the Bonds at a level higher than that which might otherwise prevail ("stabilising action"). However, stabilisation may not occur. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the Bonds is made and, if begun, may cease at any time, but it must end no later than the earlier of 30 days after the issue date of the Bonds and 60 days after the date of the allotment of the Bonds. Any stabilisation action or over-allotment must be conducted by the Stabilising Manager (or persons acting on behalf of the Stabilising Manager) in accordance with all applicable laws and rules.

RISK FACTORS

The following is a description of risk factors which are material in respect of the Bonds and the financial situation of the Issuer and which may affect the Issuer's ability to fulfil its obligations under the Bonds and which prospective investors should consider carefully before deciding to purchase the Bonds. The sequence in which the following risk factors are listed is not an indication of their likelihood to occur or of the extent of their commercial consequences. Prospective investors should read and consider all of the information provided in this Prospectus or incorporated by reference in this Prospectus and should make their own independent evaluations of all risk factors and consult with their own professional advisers if they consider it necessary. Terms defined in "Terms and Conditions of the Bonds" below shall have the same meaning where used below.

Risks Relating to the Issuer

Information contained under section 6 of the Issuer's 2016 Annual Report entitled "Risk factors" shall be deemed to be incorporated by reference into, and form part of, this Prospectus by way of the cross-reference table under the Section entitled "Information Incorporated by Reference".

Financial position dependant in part on performance of subsidiaries

As top parent (holding) company of the Group, the Issuer's financial position depends in part on the financial position and operating performance of its subsidiaries.

Risk Relating to the Bonds

There is no active trading market for the Bonds.

The Bonds are new securities which may not be widely distributed and for which there is currently no active trading market. If the Bonds are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the Issuer and the Group. Although application has been made for the Bonds to be admitted to listing on the official list and trading on the Luxembourg Stock Exchange's Regulated Market, there is no assurance that such application will be accepted or that an active trading market will develop. Accordingly, there is no assurance as to the development or liquidity of any trading market for the Bonds.

The Bonds may be redeemed prior to maturity.

In the event that the Issuer would be obliged to increase the amounts payable in respect of any Bonds due to any withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of Luxembourg or the French Republic or any political subdivision thereof or any authority therein or thereof having power to tax, the Issuer may redeem all outstanding Bonds in accordance with the Conditions.

In addition Condition 6(b)(ii) (*Redemption at the Make-whole Redemption Amount*) provides that all of the Bonds are redeemable at the Issuer's option and accordingly the Issuer may choose to redeem all of the Bonds at times when prevailing interest rates may be relatively low. As a consequence, the yields received upon such early redemption may be lower than expected, and the redeemed face amount of the Bonds may be lower than the purchase price paid for such Bonds by the Bondholder where the purchase price was above par. As a consequence, part of the capital invested by the Bondholder may be lost, so that the Bondholder in such case would not receive the total amount of the capital invested. However, the redeemed face amount of the Bonds may not be below par. In addition investors that choose to reinvest monies they receive through an early redemption may not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of the Bonds.

In addition, the Issuer may choose to redeem all (but not some only) of the outstanding Bonds from and including the date falling three (3) months before the Maturity Date of the Bonds to but excluding such Maturity Date, on any such date under a residual maturity call option as provided in Condition 6(b)(iv) (*Residual call at the option of the Issuer*) of the terms and conditions of the Bonds.

Depending on the number of Bonds in respect of which the put option provided in Condition 6(b) (iii) (*Redemption following a Change of Control Event*) is exercised, any trading market in respect of those Bonds in respect of which such put option is not exercised may become illiquid.

In addition, the Issuer may in accordance with Condition 6(b)(iv) (*Clean-up Call Option*), on giving not more than 45 nor less than 30 days' prior notice to the Bondholders, redeem all but not some only of the Bonds at their principal amount, if immediately before giving such notice, the Issuer or any of the Issuer's Subsidiaries has purchased Bonds equal to or in excess of 80 per cent of the aggregate principal amount of the Bonds respectively originally issued.

Because the Global Bonds are held by or on behalf of Euroclear and Clearstream, Luxembourg, investors will have to rely on their procedures for transfer, payment and communication with the Issuer.

The Bonds will be represented by the Global Bonds except in certain limited circumstances described in "Overview of Provisions Relating to the Bonds in Global Form". The Global Bonds will be deposited with a Common Safekeeper (as defined in the Terms and Conditions) for Euroclear and Clearstream, Luxembourg. Except in certain limited circumstances described in "Overview of Provisions Relating to the Bonds in Global Form", investors will not be entitled to receive definitive Bonds. Euroclear and Clearstream, Luxembourg will maintain records of the beneficial interests in the Global Bonds. While the Bonds are represented by the Global Bonds, investors will be able to trade their beneficial interests only through Euroclear and Clearstream, Luxembourg.

The Issuer will discharge its principal and interest payment obligations under the Bonds by making payments to or to the order of the Common Safekeeper for distribution to their account holders. A record of each payment made, distinguishing between payments of principal and payments of interest, shall be recorded *pro rata* upon the instruction of the Paying Agent, in the records held by the Common Safekeeper and such registration in the record held by Common Safekeeper shall be evidence that the payment has been made. A holder of a beneficial interest in a Global Bond must rely on the procedures of Euroclear and Clearstream, Luxembourg to receive payments under the Bonds. The Issuer has no responsibility or liability for the records relating to, or payments made in respect of, beneficial interests in the Global Bonds.

Holders of beneficial interests in the Global Bonds will not have a direct right to vote in respect of the Bonds. Instead, such holders will be permitted to act only to the extent that they are enabled by Euroclear and Clearstream, Luxembourg to appoint appropriate proxies.

Minimum Denomination

As the Bonds have a denomination consisting of the minimum denomination plus a higher integral multiple of another smaller amount, it is possible that the Bonds may be traded in amounts in excess of Euro 100,000 (or its equivalent) that are not integral multiples of Euro 100,000 (or its equivalent). In such case a Bondholder who, as a result of trading such amounts, holds a principal amount of less than the minimum denomination may not receive a Definitive Bond in respect of such holding (should Definitive Bonds be printed) and would need to purchase a principal amount of Bonds such that its holding amounts to the minimum denomination.

The Bonds may not be a suitable investment for all investors

Each potential investor in the Bonds must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (a) have sufficient knowledge and experience to make a meaningful evaluation of the Bonds, the merits and risks of investing in the Bonds and the information contained in this Prospectus;
- (b) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Bonds and the impact the Bonds will have on its overall investment portfolio;

- (c) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Bonds, including where the currency of the Bonds is different from the potential investor's currency;
- (d) understand thoroughly the terms of the Bonds; and
- (e) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Fixed Rate Bonds

Investment in the Bonds, which bear interest at a fixed rate, involves the risk that subsequent changes in market interest rates may adversely affect the value of the Bonds.

Modification and waivers

The Conditions of the Bonds contain provisions for calling General Meetings of Bondholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Bondholders including Bondholders who did not attend and vote at the relevant General Meeting and Bondholders who voted in a manner contrary to the majority.

Legality of purchase

Neither the Issuer, the Joint Lead Managers nor any of their respective affiliates has or assumes responsibility for the lawfulness of the acquisition of the Bonds by a prospective investor of the Bonds, whether under the laws of the jurisdiction of its incorporation or the jurisdiction in which it operates (if different), or for compliance by that prospective investor with any law, regulation or regulatory policy applicable to it.

Change of law

The Terms and Conditions of the Bonds are based on Luxembourg law in effect as at the date of this Prospectus as applied by the courts and other competent authorities in Luxembourg. No assurance can be given as to the impact of any possible judicial decision or change in Luxembourg law or the official application or interpretation of Luxembourg law after the date of this Prospectus.

Currency risk

Prospective investors of the Bonds should be aware that an investment in the Bonds may involve exchange rate risks. The Bonds may be denominated in a currency other than the currency of the purchaser's home jurisdiction. Exchange rates between currencies are determined by factors of supply and demand in the international currency markets which are influenced by macro economic factors, speculation and central bank and government intervention (including the imposition of currency controls and restrictions). Fluctuations in exchange rates may affect the value of the Bonds.

Market Value of the Bonds

The market value of the Bonds will be affected by the creditworthiness of the Issuer and a number of additional factors, including market interest and yield rates. The value of the Bonds depends on a number of interrelated factors, including economic, financial and political events in Luxembourg or elsewhere, including factors affecting capital markets generally and the stock exchanges on which the Bonds are admitted to trading. The price at which a Bondholder will be able to sell the Bonds may be at a discount, which could be substantial, from the issue price or the purchase price paid by such purchaser.

No covenants

The Bonds do not restrict the Issuer or any of its Subsidiaries from incurring additional debt. The Terms and Conditions of the Bonds contain a negative pledge that prohibits the Issuer in certain circumstances, from creating security over assets, but only to the extent that such is used to secure other bonds or similar listed or quoted debt instruments. The Terms and Conditions of the Bonds do not contain any covenants

restricting the operations of the Issuer. The Issuer's Subsidiaries are not bound by obligations of the Issuer under the Bonds and are not guarantors of the Bonds.

Taxation

Potential purchasers and sellers of the Bonds should be aware that they may be required to pay taxes or documentary charges or duties in accordance with the laws and practices of the jurisdiction where the Bonds are transferred or other jurisdictions. Potential investors are advised not to rely upon the tax overview contained in this Prospectus but to ask for their own tax adviser's advice on their individual taxation with respect to the acquisition, holding, disposal and redemption of the Bonds. Only these advisors are in a position to duly consider the specific situation of the potential investor. This investment consideration should be read in connection with the taxation sections of this Prospectus.

The proposed financial transactions tax (FTT)

On 14 February 2013, the European Commission published a proposal (the "**Commission's Proposal**") for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the "**participating Member States**"). In March 2016, Estonia indicated its withdrawal from the enhanced cooperation.

The Commission's Proposal has very broad scope and could, if introduced, apply to certain dealings in the Bonds (including secondary market transactions) in certain circumstances.

Under the Commission's Proposal, the FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in the Bonds where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, "established" in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

However, the FTT proposal remains subject to negotiation between the participating Member States. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional EU Member States may decide to participate.

Prospective holders of the Bonds are advised to seek their own professional advice in relation to the FTT.

Absence of rating

The Bonds and the Issuer not being rated, the assessment of the Issuer's ability to comply with its payment obligations under the Bonds is made more complex for investors.

One or more independent credit rating agencies may assign credit ratings to the Bonds on an unsolicited basis. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Bonds. A rating or the absence of a rating is not a recommendation to buy, sell or hold securities.

The insolvency laws of Luxembourg may not be as favourable to Bondholders as laws of another jurisdiction with which holders are familiar

In the event that the Issuer becomes insolvent, insolvency proceedings (*e.g.* in particular bankruptcy proceedings (*faillite*), controlled management proceedings (*gestion contrôlée*) and composition proceedings with creditors (*concordat préventif de la faillite*)) may be opened in Luxembourg to the extent that the Issuer has its centre of main interest (*centre des intérêts principaux*) located in Luxembourg within the meaning of Regulation 2015/848 of the European Parliament and of the Council of 20 May 2015 on insolvency proceedings (recast) (the "**EU Insolvency Regulation**") (in relation to secondary proceedings assuming in this case that the centre of main interests is located in a jurisdiction where the EU Insolvency Regulation is applicable). If a Luxembourg court having jurisdiction opens bankruptcy proceedings against the Issuer, all measures of enforcement against the Issuer will be suspended, except, subject to certain limited exceptions, for enforcement by secured creditors. In addition, the Bondholders' ability to receive payment on the Bonds may be affected by a decision of a Luxembourg court to grant a stay on payments (*sursis de paiement*) as provided by articles 593 et seq of

the Luxembourg Code of Commerce or to put the Issuer into judicial liquidation (*liquidation judiciaire*) pursuant to article 203 of the Luxembourg law dated 10 August 1915 on commercial companies, as amended (the “**Luxembourg Company Law**”). Judicial liquidation proceedings may be opened at the request of the Luxembourg public prosecutor against Luxembourg commercial companies pursuing an activity violating criminal laws or that are in serious breach or violation of the Luxembourg Code of Commerce or of the laws governing commercial companies, including Luxembourg Company Law. Liability of the Issuer in respect of the Bonds, in each case, in the event of a liquidation of the Issuer following bankruptcy or judicial liquidation proceedings, only rank after the cost of liquidation (including any debt incurred for the purpose of such liquidation) and those other debts that are entitled to priority. Luxembourg insolvency laws may also affect transactions entered into or payments made by the Issuer during the period before bankruptcy, the so-called “hardening period” (*période suspecte*) which is a maximum of six months (and ten days, depending on the transaction in question) preceding the judgment declaring bankruptcy, except that in certain specific situations the court may set the start of the suspect period at an earlier date pursuant to article 613 of the Luxembourg Code of Commerce. Insolvency proceedings may therefore have a material adverse effect on the Issuer’s obligations under the Bonds.

Potential conflicts of interest

All or some of the Joint Lead Managers and their affiliates have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, and may perform services for the Issuer and its affiliates in the ordinary course of business. All or some of the Joint Lead Managers and their affiliates may have positions, deal or make markets in the Bonds, related derivatives and reference obligations, including (but not limited to) entering into hedging strategies with the Issuer and its affiliates, investor clients, or as principal in order to manage their exposure, their general market risk, or other trading activities.

In addition, in the ordinary course of their business activities, the Joint Lead Managers and their affiliates may make or hold a broad array of investments and actively trade debt and securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of the Issuer or the Issuer’s affiliates. All or some of the Joint Lead Managers or their affiliates that have a lending relationship with the Issuer routinely hedge their credit exposure to the Issuer consistent with their customary risk management policies. Typically, such Joint Lead Managers and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in securities, including potentially the Bonds. Any such positions could adversely affect liquidity and future trading prices of the Bonds. The Joint Lead Managers and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

 - (iii) any present or future indebtedness for borrowed money of the Issuer or any of its Material Subsidiaries in an amount in excess of Euro 75,000,000 (or its equivalent in any other currency) is or becomes due and payable prior to maturity by reason of occurrence of a default (howsoever described) therein; or
- (d) the Issuer or any of its Material Subsidiaries in accordance with Article 437 of the Luxembourg Code de Commerce or any similar law or regulation applicable to any Material Subsidiary affecting the rights of creditors generally in any other jurisdiction is (is, or could be, deemed by law or a court to be,) insolvent or bankrupt or unable to pay its debts, stops, suspends or threatens to stop or suspend payment of all or a material part of (or of a particular type of) its debts, makes any agreement for the deferral or rescheduling of the whole or substantially all of its debts which it might otherwise be unable to pay when due, proposes or makes a general assignment or an arrangement or composition with or for the benefit of the relevant creditors in respect of any of such debts or a moratorium is agreed or declared in respect of or affecting all or any part of (or of a particular type of) the debts of the Issuer or any of its Material Subsidiaries; or
- (e) any order is made by any competent court or any resolution passed for the winding-up or dissolution of the Issuer or any of its Material Subsidiaries (including, without limitation, the declaration of bankruptcy (*faillite*), insolvency, voluntary or judicial liquidation (*insolvabilité, liquidation volontaire ou judiciaire*), composition with creditors (*concordat préventif de la faillite*), reprieve from payment (*sursis de paiement*), controlled management (*gestion contrôlée*), general settlement with creditors or reorganisation proceedings or similar proceedings affecting the rights of creditors generally) or the appointment of a receiver of the Issuer or any of its Material Subsidiaries (including, without limitation, the appointment of any receiver (*curateur*), liquidator (*liquidateur*), auditor (*commissaire*), verifier (*expert vérificateur, juge délégué ou juge commissaire*) save for the purposes of amalgamation, merger, consolidation or similar reorganisation; then any Bond, may by notice in writing given to the Issuer and the Fiscal Agent at its specified office by the holder, be declared immediately due and payable whereupon it shall become immediately due and payable at its principal amount together with accrued interest without further formality.

10. **Statute of Limitation**

Any actions brought against the Issuer for the payment of principal on the Bonds shall be time barred after ten (10) years from the appropriate Relevant Date.

Any actions brought against the Issuer for the payment of interest on the Bonds shall be time barred after five years from the appropriate Relevant Date. In respect of any Outstanding Amounts, the aforementioned five (5) year period shall only start from the date of any Outstanding Amount Payment Event.

11. **Paying Agent**

In acting under the Agency Agreement and in connection with the Bonds, the Paying Agent acts solely as agent of the Issuer and does not assume any obligations towards or relationship of agency or trust for or with any of the Bondholders.

The initial Paying Agent and its initial specified office is listed below. The Issuer reserves the right at any time to vary or terminate the appointment of the Paying Agent and to appoint a successor paying agent.

The specified office of the Paying Agent as at the date hereof is: BNP Paribas Securities Services, Luxembourg Branch, 60, avenue J.F. Kennedy, L-1855 Luxembourg, Attention: Corporate Trust Services. Notice of any change in the Paying Agent or in its specified office shall promptly be given to the Bondholders.

12. **Representation of Bondholders**

Bondholders will belong to a masse (the "**Masse**") created, among other things, for the representation of their common interests pursuant to the provisions of the Company Law. The description below is based on the Company Law in effect on the Issue Date. Any subsequent amendments to the relevant provisions of the Company Law may amend or modify the description below. At the time of the issue, one or more representatives of the Bondholders' group (the "**Representatives**") may be appointed by the Issuer or, during the term of the loan, by the general meeting of the Bondholders (the "**Masse Meeting**"). If no Representatives have been appointed, the judge presiding the chamber of the *Tribunal d'Arrondissement* dealing with commercial matters in the district in which the registered office of the Issuer is located, and sitting as in urgency matters, may designate one or more representatives and determine their powers. Where Representatives have been appointed, Bondholders may no longer individually exercise their rights against the Issuer. A Masse Meeting may be called at any time by the Representatives (if any), the Board of Directors of the Issuer or the statutory auditors of the Issuer, not including the *réviseur d'entreprise agréé*. The Representatives, provided an advance on expenses has been paid to them, the Board of Directors, or the statutory auditors of the Issuer must convene the Masse Meeting if called upon to do so by Bondholders representing 5 per cent. or more of the Bonds outstanding. All Masse Meetings shall be held at the place specified in the notice calling the meeting and such notice must be published. All Bondholders have the right to attend and vote at the Masse Meeting either personally or by proxy. The voting rights attached to the Bonds are equal to the proportion of the principal amount of the outstanding Bonds represented by the principal amount of the Bond or Bonds held by the relevant holder. A Masse Meeting may be called in the event of a merger involving the Issuer, may approve certain changes in the rights of the Bondholders and may, generally, determine any measures designed to ensure the defence of interests or the exercise of the rights of the Bondholders in accordance with the provisions of the Company Law. A Masse Meeting may deliberate validly without a quorum and by vote of a simple majority of Bondholders attending or represented at such Masse Meeting on the appointment and revocation of the Representatives, the revocation of special representatives appointed by the Issuer and the approval of any measures of a conservatory nature in the general interests of the Bondholders. On all other matters the Masse Meeting may deliberate validly on first convocation only if Bondholders present or represented hold at least 50 per cent. of the Bonds then outstanding. If this requirement is not met, a new Masse Meeting must be called for by convening notices to be published in accordance with the Company Law prior to the second Masse Meeting. On second convocation no quorum is required. Decisions at such meetings shall be taken by a majority of 66 2/3 per cent. of the votes cast by Bondholders attending such meetings or represented thereat. More generally, the Bondholders shall be represented, and general meetings of the Bondholders shall be organised in accordance with the provisions of articles 86 to 94-8 of the Company Law.

13. **Minor Amendments and Corrections**

The Issuer and the Fiscal Agent may, without the consent of the Bondholders, amend:

- (a) the Agency Agreement regarding provisions not detrimental to the Bondholders, or
- (b) the Conditions or the Agency Agreement with regard to any amendment to the format, minor amendments or amendments of a purely technical nature or to correct manifest errors.

Such amendments shall be enforceable against Bondholders and shall be notified to the Bondholders as soon as possible in accordance with Condition 15 (*Notices*).

14. **Further Issues**

The Issuer may from time to time, without the consent of the Bondholders, create and issue further bonds having the same terms and conditions as the Bonds in all respects (or in all respects except for the first payment of interest) so as to form a single series with the Bonds.

15. **Notices**

Any notice to the Bondholders will be valid if delivered to Bondholders through Euroclear or Clearstream, Luxembourg. Any such notice shall be deemed to have been given on the date of such delivery.

16. **Governing Law and Jurisdiction**

- (a) *Governing law:* The Bonds and these Conditions and any non-contractual obligations arising out of or in connection with the Bonds and these Conditions are governed by Luxembourg law.
- (b) *Jurisdiction:* The courts of Luxembourg have exclusive jurisdiction to settle any dispute arising out of or in connection with the Bonds and these Conditions (including any non-contractual obligation arising out of or in connection with the Bonds and these Conditions).

OVERVIEW OF PROVISIONS RELATING TO THE BONDS IN GLOBAL FORM

The Bonds will initially be in the form of a temporary global bond (the "**Temporary Global Bond**"), which will be deposited on or around the Closing Date with a common safekeeper for Euroclear and Clearstream, Luxembourg.

The Bonds will be issued in new global Bond ("**NGN**") form. On 13 June 2006 the European Central Bank (the "**ECB**") announced that Bonds in NGN form are in compliance with the "Standards for the use of EU securities settlement systems in ESCB credit operations" of the central banking system for the euro (the "**Eurosystem**"), **provided that** certain other criteria are fulfilled. At the same time the ECB also announced that arrangements for Bonds in NGN form will be offered by Euroclear and Clearstream, Luxembourg as of 30 June 2006 and that debt securities in global bearer form issued through Euroclear and Clearstream, Luxembourg after 31 December 2006 will only be eligible as collateral for Eurosystem operations if the NGN form is used.

The Bonds are intended to be held in a manner which would allow Eurosystem eligibility - that is, in a manner which would allow the Bonds to be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any or all times during their life. Such recognition will depend upon satisfaction of the Eurosystem eligibility criteria.

The Temporary Global Bond will be exchangeable in whole or in part for interests in a permanent global bond (the "**Permanent Global Bond**") not earlier than 40 days after the Closing Date upon certification as to non-U.S. beneficial ownership. No payments will be made under the Temporary Global Bond unless exchange for interests in the Permanent Global Bond is improperly withheld or refused. In addition, interest payments in respect of the Bonds cannot be collected without such certification of non-U.S. beneficial ownership.

The Permanent Global Bond will become exchangeable in whole, but not in part, for Bonds in definitive form ("**Definitive Bonds**") in the denomination of Euro 100,000 each at the request of the bearer of the Permanent Global Bond if (a) Euroclear or Clearstream, Luxembourg is closed for business for a continuous period of 14 days (other than by reason of legal holidays) or announces an intention permanently to cease business or (b) any of the circumstances described in Condition 9 (*Events of Default*) occurs.

So long as the Bonds are represented by the Temporary Global Bond or the Permanent Global Bond and the relevant clearing system(s) so permit, the Bonds will be tradeable only in the minimum authorised denomination of Euro 100,000 and higher integral multiples of Euro 1,000, notwithstanding that no Definitive Bonds will be issued with a denomination above Euro 199,000.

Whenever the Permanent Global Bond is to be exchanged for Definitive Bonds, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Bonds, duly authenticated and with Receipts and Coupons attached, in an aggregate principal amount equal to the principal amount of the Permanent Global Bond to the bearer of the Permanent Global Bond against the surrender of the Permanent Global Bond to or to the order of the Fiscal Agent within 30 days of the bearer requesting such exchange.

In addition, the Temporary Global Bond and the Permanent Global Bond will contain provisions which modify the Terms and Conditions of the Bonds. The following is an overview of certain of those provisions:

Payments: All payments in respect of the Temporary Global Bond and the Permanent Global Bond will be made against presentation and (in the case of payment of principal in full with all interest accrued thereon) surrender of the Temporary Global Bond or (as the case may be) the Permanent Global Bond to or to the order of any Paying Agent and will be effective to satisfy and discharge the corresponding liabilities of the Issuer in respect of the Bonds. On each occasion on which a payment of principal or interest is made in respect of the Temporary Global Bond or (as the case may be) the Permanent Global Bond, the Issuer shall procure that the payment is entered *pro rata* in the records of Euroclear and Clearstream, Luxembourg.

Payments on business days: In the case of all payments made in respect of the Temporary Global Bond and the Permanent Global Bond "**business day**" means any day on which the TARGET2 System is open.

Exercise of put option: In order to exercise the option contained in Condition 6(b)(iii) (*Redemption following a Change of Control Event*) the bearer of the Permanent Global Bond must, within the period specified in the Conditions for the deposit of the relevant Bond and put notice, give written notice of such exercise to the Fiscal Agent specifying the principal amount of Bonds in respect of which such option is being exercised. Any such notice will be irrevocable and may not be withdrawn.

Notices: Notwithstanding Condition 15 (*Notices*), while all the Bonds are represented by the Permanent Global Bond (or by the Permanent Global Bond and/or the Temporary Global Bond) and the Permanent Global Bond is (or the Permanent Global Bond and/or the Temporary Global Bond are) deposited with a common safekeeper for Euroclear and Clearstream, Luxembourg, notices to Bondholders may be given by delivery of the relevant notice to Euroclear and Clearstream, Luxembourg and, in any case, such notices shall be deemed to have been given to the Bondholders in accordance with Condition 15 (*Notices*) on the date of delivery to Euroclear and Clearstream, Luxembourg, except that, for so long as such Bonds are admitted to trading on the Luxembourg Stock Exchange and it is a requirement of applicable law or regulations, such notices will be published on the date of such mailing in a leading newspaper having general circulation in Luxembourg (which will be expected to be *Luxemburger Wort*) or published on the website of the Luxembourg Stock Exchange (www.bourse.lu).

USE OF PROCEEDS

The net proceeds of the issue of the Bonds will be used by the Issuer to fund any growth opportunity (including through acquisition) falling within the Issuer's strategy and/or its general corporate purposes and/or to repay all or part of certain existing debt instruments of the Issuer.

In particular, all or part of the net proceeds, together with all or part of the Bonds' related debt, will be allocated (the "**Allocation**") by the Issuer to its French Branch (as this term is defined in the section headed "Description of the Issuer"). This Allocation shall be recorded, for accounting and tax purposes, in the separate balance sheet of the French Branch in accordance with any laws and regulations applicable in France.

DESCRIPTION OF THE ISSUER

Information contained in the Issuer's 2016 Annual Report relating to the description of the Issuer shall be deemed to be incorporated by reference into, and form part of, this Prospectus by way of the cross-reference table under the Section entitled "Information Incorporated by Reference".

The Issuer was incorporated under the form of a French *société à responsabilité limitée* under a private seal dated 1 April 1989. The Issuer was then converted into a French *société anonyme* on 16 February 1994 and into a *société européenne* on 2 May 2007. The registered office of the Issuer was moved into the Grand Duchy of Luxembourg at 23, Val Fleuri, L-1526, Luxembourg, with effect as of 30 March 2012.

The Issuer believes it is the world leader in food, environment and pharmaceutical products testing and that it is also one of the global independent market leaders in certain testing and laboratory services for agrosience, genomics and discovery pharmacology and for supporting clinical studies. In addition, the Issuer is one of the significant emerging players in specialty clinical diagnostic testing in Europe and the USA.

With over 30,000 staff in more than 375 laboratories across 41 countries, the Issuer offers a portfolio of over 130,000 analytical methods for evaluating the safety, identity, composition, authenticity, origin and purity of biological substances and products, as well as for innovative clinical diagnostic. The Group provides its customers with high-quality services, accurate results on time and expert advice by its highly qualified staff.

The Issuer is committed to pursuing its dynamic growth strategy by expanding both its technology portfolio and its geographic reach. Through research and development and acquisitions, the Group draws on the latest developments in the field of biotechnology and analytical chemistry to offer its clients unique analytical solutions and the most comprehensive range of testing methods.

As one of the most innovative and quality oriented international players in its industry, the Issuer is ideally positioned to support its clients' increasingly stringent quality and safety standards and the expanding demands of regulatory authorities and healthcare practitioners around the world.

It is to be noted that any statements regarding the Issuer's competitive position contained in this Prospectus, included in the documents incorporated by reference, are based on the Issuer's estimates.

The Issuer has a French branch office (*succursale*) located in Nantes (France) and registered with the French Register of Commerce under the number RCS B 350 807 947 (the "**French Branch**"), whose main purpose is to support French subsidiaries of the Group. The French Branch is represented by Mr. François Vigneau, professionally residing at rue Pierre Adolphe Bobierre, Site de la Géraudière, F-44300 Nantes, who has been appointed by the Issuer's board of directors as a *Directeur général délégué* in accordance with the provisions of article 16 of the Issuer's articles of association. Mr. François Vigneau is more particularly in charge of assisting the *Directeur général* of the Issuer in implementing the decisions of the Issuer's board of directors with regard to, *inter alia*, the management of the French subsidiaries of the Group and the acquisitions of new laboratories in France. To the best knowledge of the Issuer, Mr. François Vigneau does not perform any activities outside the Issuer which could be significant with respect to the Issuer nor has conflicts of interests between any duties to the Issuer and his private interests and/or other duties.

From a strict legal standpoint, the French Branch has no legal personality and forms a single entity with the Issuer. However, the French Branch is required to maintain its own accounting records. The French Branch is also subject to tax obligations in France as it qualifies as a French permanent establishment of the Issuer under the tax treaty between France and Luxembourg. The French Branch forms a tax unity with French subsidiaries of the Group.

TAXATION

The following is a general description of certain Luxembourg and French tax considerations relating to the Bonds. It does not purport to be a complete analysis of all tax considerations relating to the Bonds whether in those countries or elsewhere. Prospective purchasers of Bonds should consult their own tax advisers as to the consequences under the tax laws of the country of which they are resident for tax purposes and the tax laws of Luxembourg and France of acquiring, holding and disposing of Bonds and receiving payments of interest, principal and/or other amounts under the Bonds. This overview is based upon the law as in effect on the date of this Prospectus and is subject to any change in law that may take effect after such date.

Also investors should note that the appointment by an investor in Bonds, or any person through which an investor holds Bonds, of a custodian, collection agent or similar person in relation to such Bonds in any jurisdiction may have tax implications. Investors should consult their own tax advisers in relation to the tax consequences for them of any such appointment.

Luxembourg

The following information is of a general nature only and is based on the laws presently in force in Luxembourg, though it is not intended to be, nor should it be construed to be, legal or tax advice. Prospective investors in the Bonds should therefore consult their own professional advisers as to the effects of state, local or foreign laws, including Luxembourg tax law, to which they may be subject.

Please be aware that the residence concept used under the respective headings below applies for Luxembourg income tax assessment purposes only. Any reference in the present section to a tax, duty, levy, impost or other charge or withholding of a similar nature, or to any other concepts, refers to Luxembourg tax law and/or concepts only. Also, please note that a reference to Luxembourg income tax encompasses corporate income tax (*impôt sur le revenu des collectivités*), municipal business tax (*impôt commercial communal*), a solidarity surcharge (*contribution au fonds pour l'emploi*), as well as personal income tax (*impôt sur le revenu*) generally. Investors may further be subject to net wealth tax (*impôt sur la fortune*) as well as other duties, levies or taxes. Corporate income taxes, municipal business tax, as well as the solidarity surcharge invariably apply to most corporate taxpayers resident in Luxembourg for tax purposes. Individual taxpayers are generally subject to personal income tax and the solidarity surcharge. Under certain circumstances, where an individual taxpayer acts in the course of the management of a professional or business undertaking, municipal business tax may apply as well.

TAXATION OF THE HOLDERS OF BONDS

Withholding Tax

(i) Non-resident holders of Bonds

Under Luxembourg general tax laws currently in force, there is no withholding tax on payments of principal, premium or interest made to non-resident Bondholders, nor on accrued but unpaid interest in respect of the Bonds, nor is any Luxembourg withholding tax payable upon redemption or repurchase of the Bonds held by non-resident Bondholders.

(ii) Resident holders of Bonds

Under Luxembourg general tax laws currently in force and subject to the law of 23 December 2005, as amended (the "**Relibi Law**"), there is no withholding tax on payments of principal, premium or interest made to Luxembourg resident Bondholders, nor on accrued but unpaid interest in respect of Bonds, nor is any Luxembourg withholding tax payable upon redemption or repurchase of Bonds held by Luxembourg resident Bondholders.

Under the Relibi Law, payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to an individual beneficial owner who is a resident of Luxembourg will be subject to a withholding tax of currently 20 per cent. Such withholding tax will be in full discharge of income tax if the beneficial owner is an individual acting in the course of the management of his/her private wealth. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent. Payment of interest under the Notes coming within the scope of the Relibi Law will be subject to a withholding tax at a rate of currently 20 per cent.

Income Taxation

(i) Non-resident Bondholders

A non-resident Bondholder, not having a permanent establishment or permanent representative in Luxembourg to which/whom such Bonds are attributable, is not subject to Luxembourg income tax on interest accrued or received, redemption premiums or issue discounts, under the Bonds. A gain realised by such non-resident Bondholders on the sale or disposal, in any form whatsoever, of the Bonds is further not subject to Luxembourg income tax.

A non-resident corporate Bondholders or an individual Bondholders acting in the course of the management of a professional or business undertaking, who has a permanent establishment or permanent representative in Luxembourg to which or to whom such Bonds are attributable, is subject to Luxembourg income tax on interest accrued or received, redemption premiums or issue discounts, under the Bonds and on any gains realised upon the sale or disposal, in any form whatsoever, of the Bonds.

(ii) Resident Bondholders

Bondholders who are residents of Luxembourg will not be liable for any Luxembourg income tax on repayment of principal.

(a) Luxembourg resident corporate Bondholders

A corporate Bondholder must include any interest accrued or received, any redemption premium or issue discount, as well as any gain realised on the sale or disposal, in any form whatsoever, of the Bonds, in its taxable income for Luxembourg income tax assessment purposes.

A corporate Bondholder that is governed by the law of 11 May 2007 on family estate management companies, as amended, or by the law of 17 December 2010 on undertakings for collective investment, as amended, or by the law of 13 February 2007 on specialised investment funds, as amended, or by the law of 23 July 2016 on reserved alternative investment funds and which does not fall under the special tax regime set out in article 48 thereof is neither subject to Luxembourg income tax in respect of interest accrued or received, any redemption premium or issue discount, nor on gains realised on the sale or disposal, in any form whatsoever, of the Bonds.

(b) Luxembourg resident individual Bondholders

An individual Bondholder, acting in the course of the management of his/her private wealth, is subject to Luxembourg income tax at progressive rates in respect of interest received, redemption premiums or issue discounts, under the Bonds, except if (i) withholding tax has been levied on such payments in accordance with the Relibi Law, or (ii) the individual Bondholder has opted for the application of a 20 per cent. tax in full discharge of income tax in accordance with the Relibi Law, which applies if a payment of interest has been made or ascribed by a paying agent established in a EU Member State (other than Luxembourg), or in a Member State of the European Economic Area (other than a EU Member State). A gain realised by an individual Bondholder, acting in the course of the management of his/her private wealth, upon the sale or disposal, in any form whatsoever, of Bonds is not subject to Luxembourg income tax, provided this sale or disposal took place more than six months after the Bonds were acquired. However, any portion of such gain corresponding to accrued but unpaid interest income is subject to Luxembourg income tax, except if tax has been levied on such interest in accordance with the Relibi Law.

An individual Bondholder acting in the course of the management of a professional or business undertaking must include this interest in its taxable basis. If applicable, the tax levied in accordance with the Relibi Law will be credited against his/her final tax liability.

Net Wealth Taxation

A corporate Bondholder, whether it is a resident of Luxembourg for tax purposes or, if not, it maintains a permanent establishment or a permanent representative in Luxembourg to which/whom such Bonds are attributable, is subject to Luxembourg wealth tax on such Bonds, except if the Bondholder is governed by the law of 11 May 2007 on family estate management companies, as amended, by the law of 17 December 2010 on undertakings for collective investment, as amended, by the law of 13 February 2007 on specialised investment funds, as amended, by the law of 23 July 2016 on reserved alternative

investment funds, or is a securitisation company governed by the law of 22 March 2004 on securitisation, as amended, or is a capital company governed by the law of 15 June 2004 on venture capital vehicles, as amended.

An individual Bondholder, whether he/she is a resident of Luxembourg or not, is not subject to Luxembourg wealth tax on such Bonds.

However, please note that securitisation companies governed by the law of 22 March 2004 on securitisation, as amended, or capital companies governed by the law of 15 June 2004 on venture capital vehicles, as amended, or reserved alternative investment funds governed by the law of 23 July 2016 and which fall under the special tax regime set out under article 48 thereof may, under certain conditions, be subject to minimum net wealth tax.

This minimum net wealth tax amounts to EUR 4,815, if the relevant corporate Bondholder holds assets such as fixed financial assets, receivables owed to affiliated companies, transferable securities, postal checking accounts, checks and cash, in a proportion that exceeds 90 % of its total balance sheet value and if the total balance sheet value of these very assets exceeds EUR 350,000. Alternatively, if the relevant Bondholder holds 90% or less of financial assets or if those financial assets do not exceed EUR 350,000, a minimum net wealth tax varying between EUR 535 and EUR 32,100 would apply depending on the size of its balance sheet.

Other Taxes

In principle, neither the issuance nor the transfer, repurchase or redemption of Bonds will give rise to any Luxembourg registration tax or similar taxes.

However, a fixed or ad valorem registration duty may be due upon the registration of the Bonds in Luxembourg in the case where the Bonds are either (i) attached as an annex to an act (*annexés à un acte*) that itself is subject to mandatory registration or (ii) deposited in the minutes of a notary (*déposés au rang des minutes d'un notaire*) or (iii) registered on a voluntary basis.

Where a Bondholder is a resident of Luxembourg for tax purposes at the time of his/her death, the Bonds are included in his/her taxable estate for inheritance tax assessment purposes.

Gift tax may be due on a gift or donation of Bonds if embodied in a Luxembourg deed passed in front of a Luxembourg notary or recorded in Luxembourg.

Residence

A Bondholder will not become resident, or deemed to be resident, in Luxembourg by reason only of the holding of such Bond or the execution, performance, delivery and/or enforcement of that or any other Bond.

Common Reporting Standard

The Organisation for Economic Co-operation and Development has developed a new global standard for the annual automatic exchange of financial information between tax authorities (the "**CRS**"). Luxembourg is a signatory jurisdiction to the CRS and intends to conduct its first exchange of information with tax authorities of other signatory jurisdictions in September 2017, as regards reportable financial information gathered in relation to fiscal year 2016. The CRS has been implemented into Luxembourg domestic law via the law dated 18 December 2015 concerning the automatic exchange of information on financial accounts and tax matters and implementing the EU Directive 2014/107/EU. The regulation may impose obligations on the Issuer and its shareholder / Bondholders, if the Issuer is actually regarded as a reporting Financial Institution under the CRS law, so that the latter could be required to conduct due diligence and obtain (among other things) confirmation of the tax residency (through the issuance of self-certifications forms by the Bondholders), tax identification number and CRS classification of the holders of Bonds in order to fulfil its own legal obligations pursuant to the CRS law.

Investors should contact their own tax advisers regarding the application of CRS to their particular circumstances.

France

The following is a summary of certain French withholding tax considerations relating to the holding of the Bonds. This summary is based on the tax laws and regulations of France, as in force at the date of this Prospectus and applied by the French tax authorities, all of which is subject to changes or to different interpretation (potentially with a retroactive effect). This summary is for general information and does not purport to address all French tax considerations that may be relevant to specific Bondholders in light of their particular situation. Persons considering the purchase of the Bonds should consult with their own tax advisers as to French tax considerations relating to the purchase, ownership and disposition of the Bonds in light of their particular situation.

This summary has been prepared on the assumption that (i) the French Branch is and will be considered as a permanent establishment in France of the Issuer for the purposes of the tax treaty entered into between France and Luxembourg on 1 April 1958 (as amended) and is and will be subject to corporate income tax in France and (ii) any transactions in connection with the Bonds are and will be attributed or attributable to such French Branch.

Withholding tax on payments made outside France

Payments of interest and other revenues made by the Issuer with respect to the Bonds will not be subject to the withholding tax set out under Article 125 A III of the French *Code général des impôts* unless such payments are made outside France in a non-cooperative State or territory (*Etat ou territoire non coopératif*) within the meaning of Article 238-0 A of the French *Code général des impôts* (a "**Non-Cooperative State**"). If such payments under the Bonds are made in a Non-Cooperative State, a seventy five (75) per cent. withholding tax will be applicable (subject to certain exceptions and to the more favourable provisions of an applicable double tax treaty) by virtue of Article 125 A III of the French *Code général des impôts*. The seventy five (75) per cent. withholding tax is applicable irrespective of the tax residence of the Bondholders. The list of Non-Cooperative States is published by a ministerial executive order, which is updated on a yearly basis.

Furthermore, according to Article 238 A of the French *Code général des impôts*, interest and other revenues on such Bonds will not be deductible from the Issuer's taxable income if they are paid or accrued to persons domiciled or established in a Non-Cooperative State or paid in such a Non-Cooperative State (the "**Deductibility Exclusion**"). Under certain conditions, any such non-deductible interest and other revenues may be recharacterised as constructive dividends pursuant to Article 109 *et seq.* of the French *Code général des impôts*, in which case such non-deductible interest and other revenues may be subject to the withholding tax set out under Article 119 *bis* 2 of the French *Code général des impôts*, at a rate of thirty (30) per cent. or seventy five (75) per cent. (subject to the more favourable provisions of an applicable tax treaty).

Notwithstanding the foregoing, neither the seventy five (75) per cent. withholding tax set out under Article 125 A III of the French *Code général des impôts* nor, to the extent the relevant interest or other revenues relate to genuine transactions and are not in an abnormal or exaggerated amount, the Deductibility Exclusion and the withholding tax set out under Article 119 *bis*, 2 of the French *Code général des impôts* that may be levied as a result of the Deductibility Exclusion will apply in respect of the Bonds if the Issuer can prove that the principal purpose and effect of an issue of Bonds was not that of allowing the payments of interest or other revenues to be made in a Non-Cooperative State (the "**Exception**"). Pursuant to the French tax authorities administrative guidelines published in the *Bulletin Officiel des Finances Publiques-Impôts* under the references BOI-INT-DG-20-50-20140211 no. 550 and 990, BOI-RPPM-RCM-30-10-20-40-20140211 no. 70 and 80 and BOI-IR-DOMIC-10-20-20-60-20150320 no. 10, an issue of Bonds will benefit from the Exception without the Issuer having to provide any proof of the purpose and effect of such issue of Bonds, if such Bonds are:

- offered by means of a public offer within the meaning of Article L. 411-1 of the French *Code monétaire et financier* or pursuant to an equivalent offer in a State other than a Non-Cooperative State. For this purpose, an "equivalent offer" means any offer requiring the registration or submission of an offer document by or with a foreign securities market authority; or
- admitted to trading on a regulated market or on a French or foreign multilateral securities trading system provided that such market or system is not located in a Non-Cooperative State, and the operation of such market is carried out by a market operator or an investment services provider,

or by such other similar foreign entity, provided further that such market operator, investment services provider or entity is not located in a Non-Cooperative State; or

- admitted, at the time of their issue, to the operations of a central depositary or of a securities delivery and payments systems operator within the meaning of Article L.561-2 of the French *Code monétaire et financier*, or of one or more similar foreign depositaries or operators provided that such depositary or operator is not located in a Non-Cooperative State.

Withholding tax on payments made to individuals who are fiscally domiciled in France

The Issuer has also agreed to reimburse the Joint Lead Managers for certain of their expenses incurred in connection with the management of the issue of the Bonds. The Joint Lead Managers are entitled in certain circumstances to be released and discharged from their obligations under the Subscription Agreement prior to the closing of the issue of the Bonds.

Persons into whose hands this Prospectus comes are required by the Issuer and the Joint Lead Managers to comply with all applicable laws and regulations in each country or jurisdiction in which they purchase, offer, sell or deliver Bonds or possess, distribute or publish this Prospectus or any other offering material relating to the Bonds, in all cases at their own expense.

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "**Relevant Member State**"), each Joint Lead Manager has represented, warranted and agreed, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the "**Relevant Implementation Date**") it has not made and will not make an offer of Bonds which are the subject of the offering contemplated by the Prospectus to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Bonds to the public in that Relevant Member State:

- (a) **Qualified investors:** at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (b) **Fewer than 150 offerees:** at any time to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Directive); or
- (c) **Other exempt offers:** at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Bonds referred to in (a) to (c) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an "**offer of Bonds to the public**" in relation to any Bonds in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Bonds to be offered so as to enable an investor to decide to purchase or subscribe the Bonds, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State.

Accordingly, neither the Joint Lead Managers nor any of their respective affiliates, nor any persons acting on their behalf, have engaged or will engage in any directed selling efforts with respect to the Bonds, and the Joint Lead Managers, their respective affiliates and all persons acting on their behalf have complied and will comply with the offering restrictions requirement of Regulation S. Each Joint Lead Manager has agreed that, at or prior to confirmation of sale of the Bonds, it will have sent to each distributor, dealer or person receiving a selling concession, fee or other remuneration that purchases the Bonds from it during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Bonds within the United States or to, or for the account or benefit of, U.S. persons.

In addition, until 40 days after the commencement of the offering, an offer or sale of Bonds within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than pursuant to an exemption from the registration requirements of the Securities Act.
