The issue price of the Euro 300,000,000 3.125 per cent. Bonds due 26 November 2018 (the "**Bonds**") of Eurofins Scientific S.E. (the "**Issuer**") is 99.432 per cent. of their principal amount.

Unless previously redeemed or cancelled, the Bonds will be redeemed at their principal amount on 26 November 2018 (the "**Maturity Date**"). The Bonds are subject to redemption in whole at their principal amount at the option of the Issuer at any time in the event of certain changes affecting taxation in Luxembourg. The Bonds may also be redeemed at the option of the Issuer, in whole but not in part, on the Optional Make-whole Redemption Date (as defined in the Terms and Conditions of the Bonds) at the amount calculated as described in Condition 6(b)(ii) (*Redemption at the Make-whole Redemption Amount*). In addition, the holder of a Bond may, by the exercise of its option, require the Issuer to redeem such Bond upon a Change of Control Event at its principal amount on the Optional Redemption Date (as defined in the Terms and Conditions of the Bonds). The Issuer may in accordance with Condition 6(c) (*Purchases and cancellation*), on giving not more than 45 nor less than 30 days' prior notice to the Bondholders, redeem all but not some only of the Bonds at their principal amount, if immediately before giving such notice, the Issuer or any of the Issuer's Subsidiaries has purchased Bonds equal to or in excess of 80 per cent of the aggregate principal amount of the Bonds originally issued. See "*Terms and Conditions of the Bonds—Redemption and Purchase*".

The Bonds will bear interest from 26 November 2013 at the rate of 3.125 per cent. per annum payable annually in arrear on 26 November in each year commencing on 26 November 2014. Payments on the Bonds will be made in Euro without deduction for or on account of taxes imposed or levied by Luxembourg to the extent described under "*Terms and Conditions of the Bonds—Taxation*".

Application has been made to the *Commission de Surveillance du Secteur Financier* (the "**CSSF**"), which is the Luxembourg competent authority for the purpose of Directive 2003/71/EC, (as amended by, *inter alia*, Directive 2010/73/EU) (the "**Prospectus Directive**") for this Prospectus to be approved as a prospectus within the meaning of Article 5.3 of the Prospectus Directive (the "**Prospectus**"). By approving this Prospectus, the CSSF assumes no responsibility and does not give any undertaking with regard to the economic and financial soundness of the transaction and the quality and solvency of the Issuer in accordance with Article 7(7) of the Luxembourg law of 10 July 2005 implementing the Prospectus Directive, as amended (the "**Prospectus Law**"). Application has been made for the Bonds to be admitted to listing on the official list of the Luxembourg Stock Exchange and trading on the Luxembourg Stock Exchange's Regulated Market (as defined below).

The Luxembourg Stock Exchange's Regulated Market is a regulated market for the purposes of the Markets in Financial Instruments Directive 2004/39/EC (the "**Regulated Market**"). References in this document to the Luxembourg Stock Exchange (the "**Luxembourg Stock Exchange**") and all related references shall include its Regulated Market.

The Bonds have not been, and will not be, registered under the United States Securities Act of 1933 (the "**Securities Act**") and are subject to United States tax law requirements. The Bonds are being offered outside the United States by the Joint Lead Managers (as defined in "**Subscription and Sale**") in accordance with Regulation S under the Securities Act ("**Regulation S**"), and may not be offered, sold or delivered within the United States or to, or for the account or benefit of, U.S. persons except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act.

The Bonds will be in bearer form and in the denomination of Euro 100,000 each and integral multiples of Euro 1,000 in excess thereof. The Bonds may be held and transferred, and will be offered and sold, in the principal amount of Euro 100,000 and integral multiples of Euro 1,000 in excess thereof. The Bonds will initially be in the form of a temporary global Bond (the "**Temporary Global Bond**"), without interest coupons, which will be deposited on or around 26 November 2013 (the "**Closing Date**") with a common safekeeper for Euroclear Bank S.A./N.V. ("**Euroclear**") whose registered address is 1, Boulevard du Roi Albert II, 1210, Brussels, Belgium and Clearstream Banking S.A., Luxembourg ("**Clearstream, Luxembourg**") whose registered address is 42, Avenue J.F. Kennedy, L-1855 Luxembourg, Grand Duchy of Luxembourg. The Temporary Global Bond will be exchangeable, in whole or in part, for

interests in a permanent global Bond (the "**Permanent Global Bond**"), without interest coupons, not earlier than 40 days after the Closing Date upon certification as to non-U.S. beneficial ownership. Interest payments in respect of the Bonds cannot be collected without such certification of non-U.S. beneficial ownership. The Permanent Global Bond will be exchangeable in certain limited circumstances in whole, but not in part, for Bonds in definitive form in the denomination of Euro 100,000 each and with interest coupons attached. See "*Overview of Provisions Relating to the Bonds in Global Form*".

Any such representation or information should not be relied upon as having been authorised by the Issuer or the Joint Lead Managers.

Neither the Joint Lead Managers nor any of their respective affiliates have authorised the whole or any part of this Prospectus and none of them makes any representation or warranty or accepts any responsibility as to the accuracy or completeness of the information contained or incorporated by reference in this Prospectus. Neither the delivery of this Prospectus nor the offering, sale or delivery of any Bond shall in any circumstances create any implication that there has been no adverse change, or any event reasonably likely to involve any adverse change, in the condition (financial or otherwise) of the Issuer or the Group since the date of this Prospectus. Neither this Prospectus nor any other financial statements are intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of the Issuer and the Joint Lead Managers that any recipient of this Prospectus or any other financial statements should purchase the Bonds. Each potential purchaser of Bonds should determine for itself the relevance of the information contained in this Prospectus and its purchase of Bonds should be based upon such investigation as it deems necessary. None of the Joint Lead Managers undertakes to review the financial condition or affairs of the Issuer or the Group during the life of the arrangements contemplated by this Prospectus nor to advise any investor or potential investor in the Bonds of any information coming to the attention of any of the Joint Lead Managers.

This Prospectus does not constitute an offer of, or an invitation to subscribe for or purchase, any Bonds and should not be considered as a recommendation by the Issuer, the Joint Lead Managers or any of them that any recipient of the Prospectus should subscribe for or purchase the Bonds.

The distribution of this Prospectus and the offering, sale and delivery of Bonds in certain jurisdictions may be restricted by law. Persons into whose possession this Prospectus comes are required by the Issuer and the Joint Lead Managers to inform themselves about and to observe any such restrictions. For a description of certain restrictions on offers, sales and deliveries of Bonds and on distribution of this Prospectus and other offering material relating to the Bonds, see "*Subscription and Sale*".

In particular, the Bonds have not been and will not be registered under the Securities Act and are subject to United States tax law requirements. Subject to certain exceptions, Bonds may not be offered, sold or delivered within the United States or to U.S. persons.

In this Prospectus, unless otherwise specified, references to a "**Member State**" are references to a Member State of the European Economic Area, references to "**Euro**" or "**euro**" are to the currency introduced at the start of the third stage of European economic and monetary union, and as defined in Article 2 of Council Regulation (EC) No 974/98 of 3 May 1998 on the introduction of the euro, as amended.

In connection with the issue of the Bonds, HSBC Bank plc (the "Stabilising Manager") (or persons acting on behalf of the Stabilising Manager) may over allot Bonds or effect transactions with a view to supporting the price of the Bonds at a level higher than that which might otherwise prevail ("stabilising action"). However, there is no assurance that the Stabilising Manager (or persons acting on behalf of a Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the Bonds is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the Bonds and 60 days after the date of the allotment of the Bonds. Any stabilisation action or over-allotment must be conducted by the Stabilising Manager (or persons acting on behalf of the Stabilising Manager) in accordance with all applicable laws and rules.

RISK FACTORS

The following is a description of risk factors which are material in respect of the Bonds and the financial situation of the Issuer and which may affect the Issuer's ability to fulfil its obligations under the Bonds and which prospective investors should consider carefully before deciding to purchase the Bonds. The sequence in which the following risk factors are listed is not an indication of their likelihood to occur or of the extent of their commercial consequences. Prospective investors should read and consider all of the information provided in this Prospectus or incorporated by reference in this Prospectus and should make their own independent evaluations of all risk factors and consult with their own professional advisers if they consider it necessary. Terms defined in "Terms and Conditions of the Bonds" below shall have the same meaning where used below.

Risk Relating to the Bonds

There is no active trading market for the Bonds.

The Bonds are new securities which may not be widely distributed and for which there is currently no active trading market. If the Bonds are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the Issuer and the Group. Although application has been made for the Bonds to be admitted to listing on the official list and trading on the Luxembourg Stock Exchange's regulated market, there is no assurance that such application will be accepted or that an active trading market will develop. Accordingly, there is no assurance as to the development or liquidity of any trading market for the Bonds.

The Bonds may be redeemed prior to maturity.

In the event that the Issuer would be obliged to increase the amounts payable in respect of any Bonds due to any withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of Luxembourg or any political subdivision thereof or any authority therein or thereof having power to tax, the Issuer may redeem all outstanding Bonds in accordance with the Conditions.

In addition Condition 6(b)(ii)(*Redemption at the Make-whole Redemption Amount*) provides that all of the Bonds are redeemable at the Issuer's option and accordingly the Issuer may choose to redeem all of the Bonds at times when prevailing interest rates may be relatively low. As a consequence, the yields received upon such early redemption may be lower than expected, and the redeemed face amount of the Bonds may be lower than the purchase price paid for such Bonds by the Bondholder where the purchase price was above par. As a consequence, part of the capital invested by the Bondholder may be lost, so that the Bondholder in such case would not receive the total amount of the capital invested. However, the redeemed face amount of the Bonds may not be below par. In addition investors that choose to reinvest monies they receive through an early redemption may not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of the Bonds.

Depending on the number of Bonds in respect of which the put option provided in Condition 6(b)(iii)(*Redemption following a Change of Control Event*) is exercised, any trading market in respect of those Bonds in respect of which such put option is not exercised may become illiquid.

In addition, the Issuer may in accordance with Condition 6(c)(*Purchases and cancellation*), on giving not more than 45 nor less than 30 days' prior notice to the Bondholders, redeem all but not some only of the Bonds at their principal amount, if immediately before giving such notice, the Issuer or any of the Issuer's Subsidiaries has purchased Bonds equal to or in excess of 80 per cent of the aggregate principal amount of the Bonds originally issued.

Because the Global Bonds are held by or on behalf of Euroclear and Clearstream, Luxembourg, investors will have to rely on their procedures for transfer, payment and communication with the Issuer.

The Bonds will be represented by the Global Bonds except in certain limited circumstances described in "Overview of Provisions Relating to the Bonds in Global Form". The Global Bonds will be deposited with a common safekeeper for Euroclear and Clearstream, Luxembourg. Except in certain limited circumstances described in "Overview of Provisions Relating to the Bonds in Global Form", investors

will not be entitled to receive definitive Bonds. Euroclear and Clearstream, Luxembourg will maintain records of the beneficial interests in the Global Bonds. While the Bonds are represented by the Global Bonds, investors will be able to trade their beneficial interests only through Euroclear and Clearstream, Luxembourg.

The Issuer will discharge its principal and interest payment obligations under the Bonds by making payments to or to the order of the Common Safekeeper (as defined in the Terms and Conditions) for Euroclear and Clearstream, Luxembourg for distribution to their account holders. A record of each payment made, distinguishing between payments of principal and payments of interest, shall be recorded *pro rata* upon the instruction of the Paying Agent, in the records held by the Common Safekeeper and such registration in the record held by Common Safekeeper shall be evidence that the payment has been made. A holder of a beneficial interest in a Global Bond must rely on the procedures of Euroclear and Clearstream, Luxembourg to receive payments under the Bonds. The Issuer has no responsibility or liability for the records relating to, or payments made in respect of, beneficial interests in the Global Bonds.

Holders of beneficial interests in the Global Bonds will not have a direct right to vote in respect of the Bonds. Instead, such holders will be permitted to act only to the extent that they are enabled by Euroclear and Clearstream, Luxembourg to appoint appropriate proxies.

Minimum Denomination

As the Bonds have a denomination consisting of the minimum denomination plus a higher integral multiple of another smaller amount, it is possible that the Bonds may be traded in amounts in excess of Euro 100,000 (or its equivalent) that are not integral multiples of Euro 100,000 (or its equivalent). In such case a Bondholder who, as a result of trading such amounts, holds a principal amount of less than the minimum denomination may not receive a Definitive Bond in respect of such holding (should Definitive Bonds be printed) and would need to purchase a principal amount of Bonds such that its holding amounts to the minimum denomination.

The Bonds may not be a suitable investment for all investors

Each potential investor in the Bonds must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (a) have sufficient knowledge and experience to make a meaningful evaluation of the Bonds, the merits and risks of investing in the relevant Bonds and the information contained in this Prospectus;
- (b) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Bonds and the impact the relevant Bonds will have on its overall investment portfolio;
- (c) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Bonds, including where the currency of the Bonds is different from the potential investor's currency;
- (d) understand thoroughly the terms of the Bonds; and
- (e) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Fixed Rate Bonds

Investment in the Bonds, which bear interest at a fixed rate, involves the risk that subsequent changes in market interest rates may adversely affect the value of the Bonds.

Modification and waivers

The Conditions of the Bonds contain provisions for calling General Meetings of Bondholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Bondholders including Bondholders who did not attend and vote at the relevant General Meeting and Bondholders who voted in a manner contrary to the majority.

Legality of purchase

Neither the Issuer, the Joint Lead Managers nor any of their respective affiliates has or assumes responsibility for the lawfulness of the acquisition of the Bonds by a prospective investor of the Bonds, whether under the laws of the jurisdiction of its incorporation or the jurisdiction in which it operates (if different), or for compliance by that prospective investor with any law, regulation or regulatory policy applicable to it.

Change of law

The Terms and Conditions of the Bonds are based on Luxembourg law in effect as at the date of this Prospectus as applied by the courts and other competent authorities in Luxembourg. No assurance can be given as to the impact of any possible judicial decision or change in Luxembourg law or the official application or interpretation of Luxembourg law after the date of this Prospectus.

Currency risk

Prospective investors of the Bonds should be aware that an investment in the Bonds may involve exchange rate risks. The Bonds may be denominated in a currency other than the currency of the purchaser's home jurisdiction. Exchange rates between currencies are determined by factors of supply and demand in the international currency markets which are influenced by macro economic factors, speculation and central bank and government intervention (including the imposition of currency controls and restrictions). Fluctuations in exchange rates may affect the value of the Bonds.

Market Value of the Bonds

The market value of the Bonds will be affected by the creditworthiness of the Issuer and a number of additional factors, including market interest and yield rates. The value of the Bonds depends on a number of interrelated factors, including economic, financial and political events in Luxembourg or elsewhere, including factors affecting capital markets generally and the stock exchanges on which the Bonds are admitted to trading. The price at which a Bondholder will be able to sell the Bonds may be at a discount, which could be substantial, from the issue price or the purchase price paid by such purchaser.

No covenants

The Bonds do not restrict the Issuer or any of its Subsidiaries from incurring additional debt. The Terms and Conditions of the Bonds contain a negative pledge that prohibits the Issuer and its Material Subsidiaries in certain circumstances, from creating security over assets, but only to the extent that such is used to secure other bonds or similar listed or quoted debt instruments. The Terms and Conditions of the Bonds do not contain any covenants restricting the operations of the Issuer. The Issuer's Subsidiaries are not bound by obligations of the Issuer under the Bonds and are not guarantors of the Bonds.

Taxation

Potential purchasers and sellers of the Bonds should be aware that they may be required to pay taxes or other documentary charges or duties in accordance with the laws and practices of the country where the Bonds are transferred or other jurisdictions. Potential investors are advised not to rely upon the tax overview contained in this Prospectus but to ask for their own tax adviser's advice on their individual taxation with respect to the acquisition, sale and redemption of the Bonds. Only these advisors are in a position to duly consider the specific situation of the potential investor. This investment consideration should be read in connection with the taxation sections of this Prospectus.

Savings Directive

On 3 June 2003, the European Council of Economics and Finance Ministers adopted a directive 2003/48/EC on the taxation of savings income under the form of interest payments (the "**Savings Directive**"). The Savings Directive requires Member States, subject to a number of conditions being met, to provide to the tax authorities of other Member States details of payments of interest and other similar income made by a paying agent located within their jurisdiction to an individual resident in that other Member State or to certain limited types of entities established in that other Member State. However, for a transitional period, Luxembourg and Austria are instead required to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories have adopted similar measures (see "*Taxation – Savings Directive*"). On 10 April 2013, Luxembourg officially announced that it will no longer apply the withholding tax system as from 1 January 2015 and will provide details of payment of interest (or similar income) as from this date.

Pursuant to the "*Terms and Conditions of the Bonds*", if a payment were to be made or collected through a Member State which has opted for a withholding system under the Savings Directive and an amount of, or in respect of, tax is withheld from that payment, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Bond, as a result of the imposition of such withholding tax. The Issuer is only required to maintain a Paying Agent in a Member State that is not obliged to withhold or deduct tax pursuant to the Savings Directive.

The European Commission has proposed certain amendments to the Savings Directive which may, if implemented, amend or broaden the scope of the requirements described above.

Absence of rating

The Bonds not being rated, the assessment of the Issuer's ability to comply with its payment obligations under the Bonds is made more complex for investors.

One or more independent credit rating agencies may assign credit ratings to the Bonds on an unsolicited basis. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Bonds. A rating or the absence of a rating is not a recommendation to buy, sell or hold securities.

The Bonds shall initially be represented by a temporary global bond issued in new global note form ("**NGN Form**") (the "**Temporary Global Bond**"). Interests in the Temporary Global Bond will be exchangeable for interests in a permanent global bond issued in NGN Form (the "**Permanent Global Bond**" and together with the Temporary Global Bond, the "**Global Bonds**") on or after the Exchange Date and upon certification as to non-U.S. beneficial ownership. The Permanent Global Bond will be exchangeable, free of charge to the Bondholder, for bonds in definitive form (the "**Definitive Bond**") in the limited circumstances set out in the Permanent Global Bond on or after the date on which the bearer of the Permanent Global Bond has requested its exchange. In accordance with the provisions of article 84 of the Company Law as amended by the law of 6 April 2013 on dematerialised securities, the Temporary Global Bond and the Permanent Global Bond shall each be signed manually or in facsimile by two Directors of the Issuer and shall each carry control signature by or on behalf of the Paying Agent.

On the Issue Date, the Temporary Global Bond will be deposited with a common safekeeper (the "**Common Safekeeper**") for the account of Clearstream Banking, *société anonyme* ("**Clearstream, Luxembourg**") and Euroclear Bank SA/NV ("**Euroclear**").

The interests of the Bondholders in the Bonds shall be registered in the records of Clearstream, Luxembourg and Euroclear and interests in the Global Bond shall only be transferable in accordance with the rules and procedures of Clearstream, Luxembourg and/or Euroclear.

The holder of the Global Bonds shall be treated by the Issuer and the Paying Agent as the owner of the Bonds in accordance with the terms of the respective Global Bond and the terms "Bondholders" and "holders of Bonds" shall be construed accordingly. For purposes of payment of interest and principal related to the Bonds, the holder of the Global Bond shall be treated by the Issuer as the sole owner and holder of the Bonds represented by the Global Bond.

3. **Status**

The Bonds constitute direct, unconditional, unsubordinated and (subject to Condition 4 (*Negative Pledge*)) unsecured obligations of the Issuer and rank, and will at all times rank, *pari passu* without any preference among themselves and (subject to such exceptions as are from time to time mandatory under Luxembourg law or, as the case may be, other insolvency laws) equally and rateably with all other present or future unsecured and unsubordinated obligations of the Issuer.

4. **Negative Pledge**

So long as any of the Bonds remains outstanding, the Issuer undertakes that it will not and shall procure that none of its Material Subsidiaries shall grant or permit to subsist any Security Interest upon any of its assets, rights or revenues, present or future, to secure any Relevant Debt incurred or guaranteed by the Issuer or guaranteed by any of its Material Subsidiaries (whether before or after the issue of the Bonds), unless the Bonds are equally and rateably secured therewith.

5. **Interest**

The Bonds bear interest from 26 November 2013 (the "**Issue Date**") at the rate of 3.125 per cent. per annum, (the "**Rate of Interest**") payable in arrear on 26 November in each year (each, an "**Interest Payment Date**"), subject as provided in Condition 7 (*Payments*).

Each Bond will cease to bear interest from the due date for redemption unless, upon due presentation, payment of principal is improperly withheld or refused, in which case it will continue to bear interest at such rate (both before and after judgment) until whichever is the earlier of (a) the day on which all sums due in respect of such Bond up to that day are received by or on behalf of the relevant Bondholder and (b) the day which is seven days after the Fiscal Agent has notified the Bondholders that it has received all sums due in respect of the Bonds up to such seventh day (except to the extent that there is any subsequent default in payment).

The amount of interest payable on each Interest Payment Date shall be Euro 31.25 in respect of each Calculation Amount. If interest is required to be paid in respect of a Bond on any other date, it shall be calculated by applying the Rate of Interest to the Calculation Amount, multiplying the product by the relevant Day Count Fraction and rounding the resulting figure to the nearest cent (half a cent being rounded upwards) and multiplying such rounded figure by a fraction equal to the denomination of such Bond divided by the Calculation Amount.

6. **Redemption and Purchase**

(a) *Redemption at maturity*

Unless previously redeemed or purchased and cancelled, the Bonds will be redeemed at their principal amount on 26 November 2018 (the "**Maturity Date**").

(ii) Redemption at the Make-whole Redemption Amount

The Issuer will, subject to compliance with all relevant laws and regulations and having given (i) not more than forty-five (45) nor less than thirty (30) calendar days' prior notice to the Bondholders in accordance with Condition 15 (*Notices*) and (ii) not less than fifteen (15) calendar days before the giving of the notice referred to in (i) above, to the Fiscal Agent and the Calculation Agent (which notices shall be irrevocable), have the option to redeem all, but not some only, of the Bonds then outstanding at any time prior to their Maturity Date (the "**Optional Make-whole Redemption Date**") at their relevant Make-whole

Redemption Amount together with any accrued and unpaid interest up to their effective redemption date and any additional amount.

The "**Make-whole Redemption Amount**" will be calculated by the Calculation Agent and will be an amount in Euro rounded to the nearest cent (half a cent being rounded upwards) being the greater of (x) the principal amount of the Bonds and, (y) the sum of the then present values on the Optional Make-whole Redemption Date of (i) the principal amount of the Bonds and (ii) the remaining scheduled payments of interest on such Bonds for their remaining term (determined on the basis of the interest rate applicable to such Bond from but excluding the Optional Make-whole Redemption Date), discounted to the Optional Make-whole Redemption Date on an annual basis (Actual/Actual ISDA) at the Early Redemption Rate plus an Early Redemption Margin.

If the Reference Benchmark Security is no longer outstanding, a Similar Security will be chosen by the Calculation Agent after prior consultation with the Issuer if practicable under the circumstances, at 11.00 a.m. (Central European time (CET)) on the fourth Business Day in Luxembourg preceding the Optional Make-whole Redemption Date, quoted in writing by the Calculation Agent to the Issuer.

The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent shall (in the absence of manifest error) be final and binding upon all parties. The Calculation Agent shall act as an independent expert and not as agent for the Issuer or the Bondholders.

(iii) Redemption following a Change of Control Event

If at any time while any of the Bonds is outstanding a Change of Control Event occurs, each Bondholder will have the option (the "**Put Option**") to require the Issuer to redeem all or part of its Bonds on the Optional Redemption Date at their principal amount, together with any interest accrued thereon to (but excluding) the Optional Redemption Date.

Promptly upon the Issuer becoming aware of the occurrence of a Change of Control Event, the Issuer shall give notice to the Bondholders of such Change of Control Event in accordance with Condition 15 (*Notices*), specifying the nature of the Change of Control Event, the circumstances giving rise to it and the procedure for exercising the Put Option (the "**Change of Control Notice**").

Each Bondholder will have the right to require the redemption of all or part of its Bonds within forty-five (45) calendar days (the "**Put Period**") following the delivery of the Change of Control Notice. To exercise the Put Option, the Bondholder must deposit such Bond together with all unmatured Coupons relating thereto with the Put Agent (details of which are specified in the Change of Control Notice) for the account of the Issuer within the Put Period together with a duly signed and completed notice of exercise in the then current form obtainable from the Put Agent (a "**Put Option Notice**") and in which the Bondholder may specify an account denominated in euro to which payment is to be made under this Condition. No option so exercised may be revoked or withdrawn without the prior consent of the Issuer.

Following the Put Option Notice, the Issuer shall redeem the Bonds tendered as provided above on the Optional Redemption Date.

(c) *Purchases and cancellation*

The Issuer or any of the Issuer's Subsidiaries, may at any time purchase Bonds in the open market or otherwise and at any price. Such acquired Bonds may be cancelled, held or resold, provided however that all Bonds which are purchased or redeemed by the

Issuer will cease to be considered to be outstanding and shall be cancelled and accordingly may not be reissued or sold.

In the event that the Issuer or any of the Issuer's Subsidiaries, has purchased Bonds equal to or in excess of 80 per cent. of the aggregate principal amount of the Bonds initially issued pursuant to this Condition 6(c)(*Purchases and cancellation*), the Issuer may, at its option, at any time, subject to having given not more than 45 nor less than 30 days' prior notice to the Bondholders (which notice shall be irrevocable), in accordance with Condition 15 (*Notices*), call and redeem the remaining Bonds (in whole but not in part) at their principal amount, together with interest accrued thereon.

7. **Payments**

- (d) If the date of payment of any amount of principal or interest on a Bond is not a Business Day, the holder thereof shall not be entitled to payment until the next following Business Day (and shall not be entitled to any interest or other payment in respect of such delay).
- (e) For the purpose of this Condition, "**Business Day**" means any day, not being a Saturday or a Sunday on which Euroclear and Clearstream, Luxembourg are operating and which is a TARGET Business Day.

In that event the Issuer shall pay such additional amounts as will result in receipt by the Bondholders after such withholding or deduction of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable in respect of any Bond presented for payment:

- (a) by or on behalf of a holder which is liable to such taxes, duties, assessments or governmental charges in respect of such Bond by reason of its having or having had some connection with the jurisdiction by which such taxes, duties, assessments or charges have been imposed, levied, collected, withheld or assessed other than the mere holding of the Bond; or

Any reference in these Conditions to principal or interest shall be deemed to include any additional amounts in respect of principal or interest (as the case may be) which may be payable under this Condition 8 (*Taxation*).

The Bonds will be issued in new global Bond ("NGN") form. On 13 June 2006 the European Central Bank (the "**ECB**") announced that Bonds in NGN form are in compliance with the "Standards for the use of EU securities settlement systems in ESCB credit operations" of the central banking system for the euro (the "**Eurosystem**"), **provided that** certain other criteria are fulfilled. At the same time the ECB also announced that arrangements for Bonds in NGN form will be offered by Euroclear and Clearstream, Luxembourg as of 30 June 2006 and that debt securities in global bearer form issued through Euroclear and Clearstream, Luxembourg after 31 December 2006 will only be eligible as collateral for Eurosystem operations if the NGN form is used.

The Bonds are intended to be held in a manner which would allow Eurosystem eligibility - that is, in a manner which would allow the Bonds to be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any or all times during their life. Such recognition will depend upon satisfaction of the Eurosystem eligibility criteria.

The Temporary Global Bond will be exchangeable in whole or in part for interests in the Permanent Global Bond not earlier than 40 days after the Closing Date upon certification as to non-U.S. beneficial ownership. No payments will be made under the Temporary Global Bond unless exchange for interests in the Permanent Global Bond is improperly withheld or refused. In addition, interest payments in respect of the Bonds cannot be collected without such certification of non-U.S. beneficial ownership.

The Permanent Global Bond will become exchangeable in whole, but not in part, for Bonds in definitive form ("**Definitive Bonds**") in the denomination of Euro 100,000 each at the request of the bearer of the Permanent Global Bond if (a) Euroclear or Clearstream, Luxembourg is closed for business for a continuous period of 14 days (other than by reason of legal holidays) or announces an intention permanently to cease business or (b) any of the circumstances described in Condition 9 (*Events of Default*) occurs.

So long as the Bonds are represented by a Temporary Global Bond or a Permanent Global Bond and the relevant clearing system(s) so permit, the Bonds will be tradeable only in the minimum authorised denomination of Euro 100,000 and higher integral multiples of Euro 1,000, notwithstanding that no Definitive Bonds will be issued with a denomination above Euro 199,000.

Whenever the Permanent Global Bond is to be exchanged for Definitive Bonds, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Bonds, duly authenticated and with Receipts and Coupons attached, in an aggregate principal amount equal to the principal amount of the Permanent Global Bond to the bearer of the Permanent Global Bond against the surrender of the Permanent Global Bond to or to the order of the Fiscal Agent within 30 days of the bearer requesting such exchange.

In addition, the Temporary Global Bond and the Permanent Global Bond will contain provisions which modify the Terms and Conditions of the Bonds as they apply to the Temporary Global Bond and the Permanent Global Bond. The following is an overview of certain of those provisions:

Payments: All payments in respect of the Temporary Global Bond and the Permanent Global Bond will be made against presentation and (in the case of payment of principal in full with all interest accrued thereon) surrender of the Temporary Global Bond or (as the case may be) the Permanent Global Bond to or to the order of any Paying Agent and will be effective to satisfy and discharge the corresponding liabilities of the Issuer in respect of the Bonds. On each occasion on which a payment of principal or interest is made in respect of the Temporary Global Bond or (as the case may be) the Permanent Global Bond, the Issuer shall procure that the payment is entered *pro rata* in the records of Euroclear and Clearstream, Luxembourg.

Payments on business days: In the case of all payments made in respect of the Temporary Global Bond and the Permanent Global Bond "**business day**" means any day on which the TARGET2 System is open.

Exercise of put option: In order to exercise the option contained in Condition 6(b)(iii) (*Redemption following a Change of Control Event*) the bearer of the Permanent Global Bond must, within the period specified in the Conditions for the deposit of the relevant Bond and put notice, give written notice of such exercise to the Fiscal Agent specifying the principal amount of Bonds in respect of which such option is being exercised. Any such notice will be irrevocable and may not be withdrawn.

Notices: Notwithstanding Condition 15 (*Notices*), while all the Bonds are represented by the Permanent Global Bond (or by the Permanent Global Bond and/or the Temporary Global Bond) and the Permanent Global Bond is (or the Permanent Global Bond and/or the Temporary Global Bond are) deposited with a common safekeeper for Euroclear and Clearstream, Luxembourg, notices to Bondholders may be given by delivery of the relevant notice to Euroclear and Clearstream, Luxembourg and, in any case, such notices shall be deemed to have been given to the Bondholders in accordance with Condition 15 (*Notices*) on the date of delivery to Euroclear and Clearstream, Luxembourg, except that, for so long as such Bonds are admitted to trading on the Luxembourg Stock Exchange and it is a requirement of applicable law or regulations, such notices will be published on the date of such mailing in a leading newspaper having general circulation in Luxembourg (which will be expected to be *Luxemburger Wort*) or published on the website of the Luxembourg Stock Exchange (www.bourse.lu).

The convening notices for Masse Meetings shall be published twice at an interval of at least eight (8) days from each other and at least eight (8) days prior to the Masse Meeting in a Luxembourg newspaper (which is expected to be *Luxemburger Wort*). Any other notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates on the date of the first publication as provided above.

USE OF PROCEEDS

The net proceeds of the issue of the Bonds will be used by the Issuer for general corporate purposes.

DESCRIPTION OF THE ISSUER

Information contained in the Issuer's 2012 Annual Report relating to the description of the Issuer shall be deemed to be incorporated by reference into, and form part of, this Prospectus by way of the cross-reference table under the Section entitled "Information Incorporated by Reference".

TAXATION

The following is a general description of certain Luxembourg and French tax considerations relating to the Bonds. It does not purport to be a complete analysis of all tax considerations relating to the Bonds whether in those countries or elsewhere. Prospective purchasers of Bonds should consult their own tax advisers as to the consequences under the tax laws of the country of which they are resident for tax purposes and the tax laws of Luxembourg and France of acquiring, holding and disposing of Bonds and receiving payments of interest, principal and/or other amounts under the Bonds. This overview is based upon the law as in effect on the date of this Prospectus and is subject to any change in law that may take effect after such date.

Also investors should note that the appointment by an investor in Bonds, or any person through which an investor holds Bonds, of a custodian, collection agent or similar person in relation to such Bonds in any jurisdiction may have tax implications. Investors should consult their own tax advisers in relation to the tax consequences for them of any such appointment.

Luxembourg

The following is a general description of certain Luxembourg tax considerations relating to the Bonds. It specifically contains information on taxes on the income from the securities withheld at source. It does not purport to be a complete analysis of all tax considerations relating to the Bonds, whether in Luxembourg or elsewhere. Prospective purchasers of the Bonds should consult their own tax advisers as to which countries' tax laws could be relevant to acquiring, holding and disposing of the Bonds and receiving payments of interest, principal and/or other amounts under the Bonds and the consequences of such actions under the tax laws of Luxembourg. This overview is based upon the law as in effect on the date of this Prospectus. The information contained within this section are limited to certain taxation issues, and prospective investors should not apply any information set out below to other areas, including (but not limited to) the legality of transactions involving the Bonds.

Withholding Tax

All payments of interest and principal made by the Issuer in the context of the holding, disposal, redemption or repurchase of the Bonds, which are not profit sharing, can be made free and clear of any withholding or deduction for or on account of any taxes of whatsoever nature imposed, levied, withheld, or assessed by Luxembourg or any political subdivision or taxing authority thereof or therein, in accordance with applicable Luxembourg laws and administrative practice, subject however to:

- (i) the application of the Luxembourg laws of 21 June 2005, as amended, implementing the European Union Savings Directive (see section "Savings Directive" below) and ratifying several agreements concluded with certain dependent or associated territories and providing for the possible application of a withholding tax of 35 per cent. on payments of interest or similar income made or ascribed to certain non Luxembourg resident investors (individuals and certain types of entities called "residual entities" within the meaning of article 4.2 of the Savings Directive) in the event of the Issuer appointing a paying agent in Luxembourg within the meaning of the Savings Directive or above-mentioned agreements unless the beneficiary of such payment opts for one of the two information exchange procedures available. Luxembourg government officially announced on 10 April 2013 that it will no longer apply the withholding tax system as from 1st January 2015 and will apply the automatic exchange of information system under the Savings Directive (see "Savings Directive");
- (ii) the application of the Luxembourg law of 23 December 2005 which provides for the application of a 10 per cent. withholding tax on savings income (i.e. with certain exemptions, savings income within the meaning of the Luxembourg laws of 21 June 2005 implementing the Savings Directive) paid by a Luxembourg paying agent to Luxembourg individual residents.

Pursuant to the law of 23 December 2005 as amended by the law of 17 July 2008, Luxembourg resident individuals can opt to self declare and pay a 10 per cent. levy on interest payments made or ascribed by paying agents located in a Member State of the European Union other than Luxembourg, a Member State of the European Economic Area that is not a Member State or in a State or territory which has concluded an agreement directly relating to the Savings Directive.

The 10 per cent. withholding tax as described above or the 10 per cent. levy are final when Luxembourg resident individuals are acting in the context of the management of their private wealth.

Responsibility for the withholding of tax in application of the above-mentioned Luxembourg laws of 21 June 2005 and 23 December 2005, as amended, is assumed by the Luxembourg paying agent within the meaning of these laws and not by the relevant Issuer.

France

Savings Directive

The Savings Directive was implemented into French law under Article 242 ter of the French *Code général des impôts*, which imposes on paying agents based in France an obligation to report to the French tax authorities certain information with respect to interest payments made to beneficial owners domiciled in another Member State, including, among other things, the identity and address of the beneficial owner and a detailed list of the different categories of interest paid to that beneficial owner.

Withholding tax

Further to the French *loi de finances rectificative pour 2009 no. 3* (n° 2009-1674 dated 30 December 2009) as amended by the Finance Act for 2013 (*loi de finances pour 2013*) n°2012-1509 dated 29 December 2012 (the "**Law**"), payments of interest and other revenues made by the Issuer with respect to the Bonds will not be subject to the withholding tax set out under Article 125 A III of the French *Code général des impôts* unless such payments are made outside France in a non-cooperative State or territory (*Etat ou territoire non coopératif*) within the meaning of Article 238-0 A of the French *Code général des impôts* (a "**Non-Cooperative State**"). If such payments under the Bonds are made in a Non-Cooperative State, a 75% withholding tax will be applicable (subject to certain exceptions and to the more favourable provisions of an applicable double tax treaty) by virtue of Article 125 A III of the French *Code général des impôts*.

Furthermore, according to Article 238 A of the French *Code général des impôts* interest and other revenues on such Bonds will not be deductible from the Issuer's taxable income if they are paid or accrued to persons domiciled or established in a Non-Cooperative State or paid in such a Non-Cooperative State (the "**Deductibility Exclusion**"). Under certain conditions, any such non-deductible interest and other revenues may be recharacterised as constructive dividends pursuant to Article 109 of the French *Code général des impôts*, in which case such non-deductible interest and other revenues may be subject to the withholding tax set out under Article 119 bis of the French *Code général des impôts*, at a rate of 30% or 75% subject to the more favourable provisions of a tax treaty, if applicable.

Notwithstanding the foregoing, the Law provides that neither the 75% withholding tax set out under Article 125 A III of the French *Code général des impôts* nor the Deductibility Exclusion will apply in respect of the Bonds if the Issuer can prove that the principal purpose and effect of each issue of the Bonds was not that of allowing the payments of interest or other revenues to be made in a Non-Cooperative State (the "**Exception**"). Pursuant to the Bulletin Officiel des Finances Publiques-Impôts BOI-ANX-000364-20120912 and BOI-ANX-000366-20120912, each issue of the Bonds will benefit from the Exception without the Issuer having to provide any proof of the purpose and effect of such issue of the Bonds, if the Bonds are:

- admitted to trading on a regulated market or on a French or foreign multilateral securities trading system provided that such market or system is not located in a Non-Cooperative State, and the operation of such market is carried out by a market operator or an investment services provider, or by such other similar foreign entity, provided further that such market operator, investment services provider or entity is not located in a Non-Cooperative State; or
- admitted, at the time of their issue, to the clearing operations of a central depository or of a securities clearing and delivery and payments systems operator within the meaning of Article L.561-2 of the French *Code monétaire et financier*, or of one or more similar foreign depositories or operators provided that such depository or operator is not located in a Non-Cooperative State.

Savings Directive

On 3 June 2003, the European Council of Economics and Finance Ministers adopted Directive 2003/48/EC on the taxation of savings income in the form of interest payments (the "**Savings Directive**"). Pursuant to the Savings Directive and subject to a number of conditions being met, Member States are required, since 1 July 2005, to provide to the tax authorities of another Member State, *inter alia*, details of payments of interest within the meaning of the Savings Directive (interest, premium or other debt income) made by a paying agent located within its jurisdiction to, or for the benefit of, an individual resident in that other Member State or to certain limited types of entities called "residual entities", within the meaning of Article 4.2 of the Savings Directive (the "**Residual Entities**"), established in that other Member State (or certain dependent or associated territories) (the Disclosure of Information Method).

For these purposes, the term "paying agent" is defined widely and includes in particular any economic operator who is responsible for making interest payments, within the meaning of the Savings Directive, for the immediate benefit of the beneficial owner.

However, throughout a transitional period, certain Member States (the Grand-Duchy of Luxembourg and Austria), instead of using the Disclosure of Information Method used by other Member States, unless the relevant beneficial owner elects for one of the two procedures for information reporting (including the Disclosure of Information Method), or unless the Member State elects otherwise during this transitional period, withhold an amount on interest payments. The rate of such withholding tax currently equals 35%.

On 10 April 2013, Luxembourg officially announced that it will no longer apply the withholding tax system as from 1 January 2015 and will apply the automatic exchange of information system under the Savings Directive.

A number of non-EU countries (Switzerland, Andorra, Liechtenstein, Monaco and San Marino) and dependent or associated territories (including Jersey, Guernsey, Isle of Man, Montserrat, British Virgin Islands, Curaçao, Saba, Saint Eustatius, Bonaire, St. Maarten, Aruba, Cayman Islands, Turks and Caicos Islands and Anguilla) have agreed to adopt similar measures (transitional withholding or exchange of information) with effect since 1 July 2005. On 14 May 2013 the EU Council gave a mandate to the EU Commission to negotiate amendments to the EU's agreements with Switzerland, Liechtenstein, Monaco, Andorra and San Marino on the taxation of savings income. The aim is to ensure that the five countries continue to apply measures that are equivalent to the Savings Directive, which is being updated (see below). The Commission will negotiate on the basis of a draft directive amending the Savings Directive.

The European Commission has announced on 13 November 2008 a proposal to amend the Savings Directive. If implemented, the proposed amendments would, *inter alia*, extend the scope of the Savings Directive to (i) payments made through certain intermediate structures (whether or not established in a Member State) for the ultimate benefit of an EU resident individual, and (ii) provide for a wider definition of interest subject to the Savings Directive. The European Parliament approved an amendment version of this proposal on 24 April 2009.

The proposed financial transactions tax ("FTT")

The European Commission recently published a proposal for a Directive for a common financial transaction tax in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the participating Member States). The tax would be applicable from 1 January 2014.

The proposed FTT has very broad, potentially extraterritorial scope. Generally, it would apply to financial transactions where at least one party is a financial institution, and (a) one party is established in a participating Member State or (b) the financial instrument which is subject to the transaction is issued in a participating Member State. A financial institution may be, or be deemed to be, "established" in a participating Member State in a broad range of circumstances, including by merely transacting with a person established in a participating Member State.

In relation to many secondary market transactions in bonds and shares, the FTT would be charged at a minimum rate of 0.1% on each financial institution which is party to the transaction. The issuance and subscription of the Bonds should, however, be exempt. There are no broad exemptions for financial

intermediaries or market makers. Therefore, the effective cumulative rate applicable to some dealings in bonds or shares (for instance, cleared transactions) could be in excess of 0.1%.

A person transacting with a financial institution which fails to account for FTT would be jointly and severally liable for that tax.

The FTT proposal remains subject to negotiation between the participating Member States and is the subject of legal challenge. It may therefore be altered prior to any implementation. Additional Member States may decide to participate. Prospective holders of the Bonds are strongly advised to seek their own professional advice in relation to the FTT.

SUBSCRIPTION AND SALE

BNP Paribas, HSBC Bank plc, Société Générale and UniCredit Bank AG (the "**Joint Lead Managers**") have, in a subscription agreement dated 22 November 2013 (the "**Subscription Agreement**") and made between the Issuer and the Joint Lead Managers upon the terms and subject to the conditions contained therein, jointly and severally agreed to subscribe for the Bonds at their issue price of 99.432 per cent. of their principal amount plus any accrued interest in respect thereof and less any applicable commission. The Issuer has also agreed to reimburse the Joint Lead Managers for certain of their expenses incurred in connection with the management of the issue of the Bonds. The Joint Lead Managers are entitled in certain circumstances to be released and discharged from their obligations under the Subscription Agreement prior to the closing of the issue of the Bonds.

United Kingdom

Each Joint Lead Manager has represented, warranted and undertaken that:

- (a) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of the Bonds in circumstances in which Section 21(1) of the FSMA does not apply to the Issuer; and
- (b) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to the Bonds in, from or otherwise involving the United Kingdom.

Each Joint Lead Manager has agreed that, except as permitted by the Subscription Agreement, it will not offer, sell or deliver the Bonds, (a) as part of their distribution at any time or (b) otherwise, until 40 days after the later of the commencement of the offering and the issue date of the Bonds, within the United States or to, or for the account or benefit of, U.S. persons except in accordance with Rule 903 of Regulation S. Accordingly, neither the Joint Lead Managers nor any of their respective affiliates, nor any persons acting on their behalf, have engaged or will engage in any directed selling efforts with respect to the Bonds, and the Joint Lead Managers, their respective affiliates and all persons acting on their behalf have complied and will comply with the offering restrictions requirement of Regulation S. Each Joint Lead Manager has agreed that, at or prior to confirmation of sale of the Bonds, it will have sent to each distributor, dealer or person receiving a selling concession, fee or other remuneration that purchases the Bonds from it during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Bonds within the United States or to, or for the account or benefit of, U.S. persons.

In addition, until 40 days after the commencement of the offering, an offer or sale of Bonds within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than pursuant to an exemption from the registration requirements of the Securities Act.

France

The Joint Lead Managers have represented and agreed that, in connection with their initial distribution, they have not offered or sold or caused to be offered or sold, and will not offer or sell or cause to be offered or sold, directly or indirectly, any Bonds to the public in France and they have not distributed or caused to be distributed, and will not distribute or cause to be distributed, to the public in France, directly or indirectly, this Prospectus or any other offering material relating to the Bonds and that such offers, sales and distributions have been and will be made in France only to (i) providers of investment services relating to portfolio management for the account of third parties (*personnes fournissant le service d'investissement de gestion de portefeuille pour compte de tiers*), and/or (ii) qualified investors

(*investisseurs qualifiés*) acting for their own account, all as defined in, and in accordance with, Articles L.411-1, L.411-2 and D.411-1 of the French *Code monétaire et financier*.

Each Joint Lead Manager has represented and agreed that any offer, sale or delivery of the Bonds or distribution of copies of this Prospectus or any other document relating to the Bonds in the Republic of Italy will be effected in accordance with all Italian securities, tax and exchange control and other applicable laws and regulation.

Any such offer, sale or delivery of the Bonds or distribution of copies of this Prospectus or any other document relating to the Bonds in the Republic of Italy must be:

- (a) made by an investment firm, bank or financial intermediary permitted to conduct such activities in the Republic of Italy in accordance with Legislative Decree No. 58 of 24 February 1998, CONSOB Regulation No. 16190 of 29 October 2007 and Legislative Decree No. 385 of 1 September 1993 (in each case as amended from time to time); and
- (b) in compliance with any other applicable laws and regulations or requirement imposed by CONSOB or any other Italian authority.

Persons into whose hands this Prospectus comes are required by the Issuer and the Joint Lead Managers to comply with all applicable laws and regulations in each country or jurisdiction in which they purchase, offer, sell or deliver Bonds or possess, distribute or publish this Prospectus or any other offering material relating to the Bonds, in all cases at their own expense.
